"The ABCs of Autism"
at the Dixon YMCA

Autism Basics for the Community

What: Free training on Autism Spectrum Disorders/Asperger's basics geared for the community

When: Monday, April 26th 6:30-8:30pm

Where: Dixon YMCA 110 North Galena Ave.

Presented by: The Autism Program
Northwest Illinois Regional Center

Description: This free educational training is geared for the general community to explain the basics of autism. This easy to understand session is a good two hour class for people who teach everything from education, religion, sports, music, to recreational activities (i.e. Dance, Gymnastics, Tae Kwon-Do, Park/Camp Counselors) or friends and neighbors of a person with autism, or people who are simply interested in learning more about autism.
