April is Autism Awareness Month

“The Clinician is IN”

Wednesdays, April 7 & 21
Noon—2:00 PM
at Kreider Center

Professional Staff Clinician, Veronica Glickman, M.A., M.S. is available for free group consultations to discuss with parents their concerns and problems regarding their child with autism. No formal appointment is necessary. (Note: Parents are kindly asked not to bring children to the sessions.)

New resources

Come to our Resource Room and literally, check it out. We have new books and materials just for you! Just in: DVD's entitled “Model Me” and so much more.

“The ABCs of Autism”

Monday, April 26th 6-8:30 PM
at the Dixon YMCA

Education geared for the general community, this free training explains the basics of autism. This easy to understand session is an essential class for people who teach everything from education, religion, sports, music, to recreational activities (i.e. Dance, Gymnastics, Tae-Kwon-Do) Park/Camp Counselors, or friends and neighbors of a person with autism, or people who are simply want to learn more about autism.

Family Fun Day

Saturday, April 24
9:30—11:30am
at Kreider Services' Park

Spend a Saturday morning in our beautiful park. This event is open to individuals with Autism Spectrum Disorders/Asperger's and their families and friends. We will have a variety of fun activities: face painting, a petting zoo, lawn games, and kite flying. Safety and emergency vehicles will be on sight for your son or daughter to learn. Some special treats for your family will end a perfect morning of fun at the park.

May
