The final question "Does the IEP meet the requirements of Indicator 13?" is automatically determined by ISBE reporting software after checklist data for students has been entered.

For all questions, the answer **Yes** indicates that the requirement is complete in the student's transition plan. The answer **No** indicates that the requirement is missing from the student's transition plan, but should be there since the question is applicable for this student. **No answers will generate an error and prevent transmission of the file to ISBE.** The answer **N/A** indicates that this requirement is not applicable or appropriate for this student.

Note: 'Complete' means that Yes, No, or N/A must be marked for "Is a measurable postsecondary goal stated in this area?" for each postsecondary goal area (Employment, Education, Training, and Independent Living).

If Yes is marked for this question (i.e., specific post-secondary goal area), each of the remaining questions for this postsecondary goal area must be answered Yes or No.

If No or N/A is marked for this question (i.e., specific post-secondary goal area), each of the remaining questions for this post-secondary goal should be blank.

An **ERROR** will prevent the file from being transmitted to ISBE. All questions must be completed correctly in order for the file to be transmitted to ISBE.
